Dear Sir,

We refer to the above accident where we are acting for QBE Insurance (International) Limited to resolve the claim against you under the Auto Insurance policy taken up with them.

As spoken, video attached for your reference. Based on video , our opinion is that liability is 50:50. Taxi is not within lane (travelling in between lanes) and also maneuvered to the right to change lane.

Based on the accident report and accident scenario, we cannot be absolved from liability. We will therefore proceed to negotiate for an amicable settlement with the Third Party.

Should you have evidence to provide, please send us a copy for our review.

Please note that your No-Claim Discount (NCD)(if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.

Best Regards,
Joy Irene | Case Handler
