Subject: RE: Mechanical Inspection Report Request

Dear IO Lea

Acknowledge the requests to carry out the inspection for the 13 vehicles and 1 PAB below. My colleagues and I will carry out the needful.

We have 3 cases which are without PO. Vehicles have been inspected. Can help to check as we are unable to forward our report without the PO.

1. SLQ 4888Y – SIO Vilton
2. JSC 1471 – SIO Yazid
3. FBH 8168G – this bike was written as FBH 8186G in your instruction email which is incorrect. SIO Yazid.

Thank you.

Dear Rohaizal

Please see me tomorrow for discussion on case management of these new cases.

Best Regards,

Bryan Ang

Subject: RE: Mechanical Inspection Report Request

Dear Sir,

May I seek your assistance to perform a detailed mechanical inspection of the **14 vehicles** below.

a. **Case IAFP-IB-20180220-Mechanical Inspection of Motorcycle, FBK7228H (TP/IP/06231/2018)**

On 28 January 2018 at about 11.53 am, the deceased was riding his motorcycle (FBK7228H) together with his pillion along PIE (Tuas) when the deceased collided onto the rear of a motor car which was in front of the deceased. The entire accident was captured by the motor car in-car camera (front and back). The deceased and pillion were conveyed to NTFGH by the ambulance. The deceased succumbed to his injuries and was pronounced dead in NTFGH on the same day. His pillion was discharged the next day.

FBK7228H - Rider (Party at fault, deceased)

- Pillion (Slightly injured)
