Dear Sirs,

We refer to the subject.

We have reviewed the circumstances of the incident and we are of the opinion that your driver is more liable by crossing the white line road markings of chevron. This is evidenced by scene photos from our insured driver (photos provided to you on 14.06.2018).

In view of this, we regret to inform you that we are unable to look into your claim.

Should you have further evidence to prove otherwise, please send us a copy for our review.

Thank you.

Best Regards,
