Without Prejudice

Dear George,

We refer to your below email.

Please be informed that only the TP video footage uploaded in merimen was available from TP.

Based on TP video footage, we are of the view that TP vehicle had already moved off a distance and was already near the junction when collided by Insured vehicle.

As such, we had settled the claim at best.

Thank you.

Best Regards,

Hi Vic,

We refer to above mentioned accident claim.

May I have your assessment on this matter. TP was seen moving off from stationary position, may view 14(a) as the scenario.
