Hi Joel,

We attached herewith a copy of third party video for your easy reference.

The video footage shows that third party had stopped, then he moved from stationary position, swerved right and collided with our insured vehicle. We are of the view that third party is more liable as he was moved out from the stationary position while our insured was driving pass.

In view of the above, we are intending to reject third party claim.

Kindly let us have your comments/ instruction.

Best Regards,

Hsiao Tong, Chew | Case Handler
