On 19 April 2018 (Thursday) at about 7.27 p.m., the Deceased (A1) and 3 of her school mates (A2, A3 and A4) had boarded the Defendant's motor taxi from Clementi Mall and their intended destination was to NUS Campus (where they studied and stayed in Tembusu College). Video footage from B1 revealed that B1 was travelling along Commonwealth Avenue West towards the direction of Commonwealth Avenue on lane 1 of the 5-lanes road. Upon reaching the signalised cross junction of Commonwealth Avenue West X Clementi Road, traffic light colour for B1's direction was green only and B1 was seen making a right turn into Clementi Road. At this juncture, A5 was seen travelling straight along Commonwealth Avenue West towards the direction of Commonwealth Avenue on lane 4 of the 5-lanes road from B1's opposite direction when B1 made the intended right turn. As such, the frontal portion of A5 collided into the rear left portion of B1. Due to the accident, the Deceased was unconscious and suspected to have suffered a traumatic arrest. A2 was conscious and sustained multiple abrasions. A3 was conscious and complained of chest pain. A4 was conscious, complained of chest pain and back pain. B1 was conscious, complained of chest pain and back pain. A5 was conscious, sustained multiple abrasions and complained of chest pain. All 6 casualties were conveyed to National University Hospital (NUH) by ambulances.

(e) Case IAFP-IB-20180420-Mechanical Inspection of motor lorry, YN 1690 G (TP/IP/22538/2018)

On 10 April 2018 at about 10.39 p.m., B-1 was traveling on the extreme left lane of 3 lanes, 2-way dual carriageway along Sengkang East Road towards Punggol Way. The vehicle was loaded with renovation debris. Somewhere near to lamp post 111 he then heard a motor car driver honking at him from his rear. When he looked up at his rear view mirror, he discovered that the container attached at the rear was already up and blocking his view. As such, he stopped his vehicle to check before he noticed A-1 was already lying on the road with some of the renovation debris about 3-5 car length away.
