**CONTINUATION OF REPORT**

**Brief Details.**

I am Tan Chee Wee (Chen Zhiwei), NRIC S7625430C DOB 18/08/1976 residing at Block 246 Compassvale Walk #08- 648 Singapore 540246.

On 08/06/2018 at about 0958hrs, I parked my vehicle bearing the registration number SJZ8694P at the Basement 3 carpark of HDB Hub. I wish to inform that everything was intact when I secured my car.

On 08/06/2018 at about 1336hrs, when I came back to my vehicle. My in-car camera prompted me that an impact was detected. I then took a look at the footage of the recording and discovered that at about 1033hrs, a vehicle bearing the registration number SLV2538U had reversed and collided into the front right portion of my vehicle whilst trying to park in an empty lot on the right side of my car. I am unsure if the car had collided with mine when trying to enter or leave the lot.

I then went to make a check and discovered that there were scratches on the front right bumper of my vehicle due to the collision of the above mentioned . Subsequently, from the footage of my in-car camera, the driver of vehicle SLV2538U drove off without leaving any note of the incident. That is all.
