Dear Thin Thin,

R

refer to your rejection email below.

We were informed by our client's hirer that he was already exited the slip road and was travelling along the said main road while your insured's driver suddenly hit onto his right rear portion and not exiting from the slip road.

However, based on conflicting version of both report, we are of the view that your insured's driver should concede certain liability for the above matter while lack of evidence such as in-car video footage and/or witness.

Please let us have your reply soon.

Thanks.
