Without Prejudice

Dear Yuzhen,

We refer to the below email.

Please be informed that our principal had further reviewed the matter and based on the available information at hand, our principal is in the view that our Insured Driver is not liable of this accident.

It was already reported by your client that he was turning in to pick up a passenger. Our Insured Driver was also dropping off a passenger at the material time when your client suddenly squeeze into his lane and resulted into the collision. Please refer to the attached accident statement.

As such, we have our principal's instruction and in view of no evidence, we are unable to look into your client's claim.

We will now close file in our end.

Thank you.
