DRIVER NOT SURE WHAT HAPPEN &
HOW THE ACCIDENT HAPPEN

Describe Circumstances of the Accident

On 18/06/2018, I was making my way to work from Yio Chu Kang to Loyang. I took the TPE expressway and got into an accident around 8.20 am, at 600m before Seletar Link exit. The only thing I remember is the crash and then swerving all the way to the road shoulder on the left. The accident happened so fast that I lost control of the car and stationary at the side of the expressway. I came out and talk to the last car first the yellow one. I told them I was unsure what happened. I already told both the taxi driver and the 3rd car driver that I was unsure what had happened. Police came around 15 mins later and talked to us 1 by 1, I also told him I was unsure what happened.

Declaration

We declare the foregoing particulars are true in every respect.
