Dear Sirs/Mdm,

Enclosed for your perusal is: -

- Estimated cost of repair
- Preliminary advice
- Photographs of TP vehicle in its damaged condition

We were informed by our insured that his car video footage had corrupted. No video footage is available. We have informed our insured on third party claim. However insured disputed liability. He said that SJN 2341K who came out from the minor road is the proximate cause of accident.

In addition, third party had submitted a copy of Police Investigation Result to show that the driver of SJN 2341K had committed an offence of Inconsiderate Driving.

In view of the PIR, kindly advise if we may proceed to re-direct the claim to SJN 2341K or else advise further instruction.

Thank you.
