Subject: ACCIDENT ON 12/06/2018 INVOLVING VEHICLES SFB 8111D AND SLZ 931J

WITHOUT PREJUDICE

Our ref: (AXA) CC4/ASM18011224/Kjb3

Dear Carmen,

We refer to the subject.

Our insured reiterated that the accident was due to the entire negligence of your client by speeding up/overtaking.

We have reviewed that matter and basing on the circumstances of the accident, where the collision occurred after a merging lane and our insured vehicle was already travelling ahead, your client driver should have exercise greater caution and should give way. He had the clear view from behind and had the greater opportunity to avoid the collision.

In view of the above, we regret to inform you that we have our principal's instruction to deny liability.

Best Regards,
Joy Irene | Case Handler
