Without Prejudice

Dear Sirs/ Mdm,

We refer to the above matter.

We have reviewed the matter and based on the video footage, your taxi was driving on the right most lane before the junction. While travelling across the yellow box instead of heading towards respective lane, your client did not move into the right most lane, but intended to switch to 2nd lane. So after the yellow box junction, your client continued veer into 2nd right lane where our insured was heading into. Therefore, causing the collision.

In view of the above, we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

Best Regards,
