Subject: Clarifications on Accident along Mount Elizabeth Link on 21 June

Dear Gerald,

Thank you for your letter dated 25th June with regards to this accident at Mount Elizabeth Link on 21 Jun.

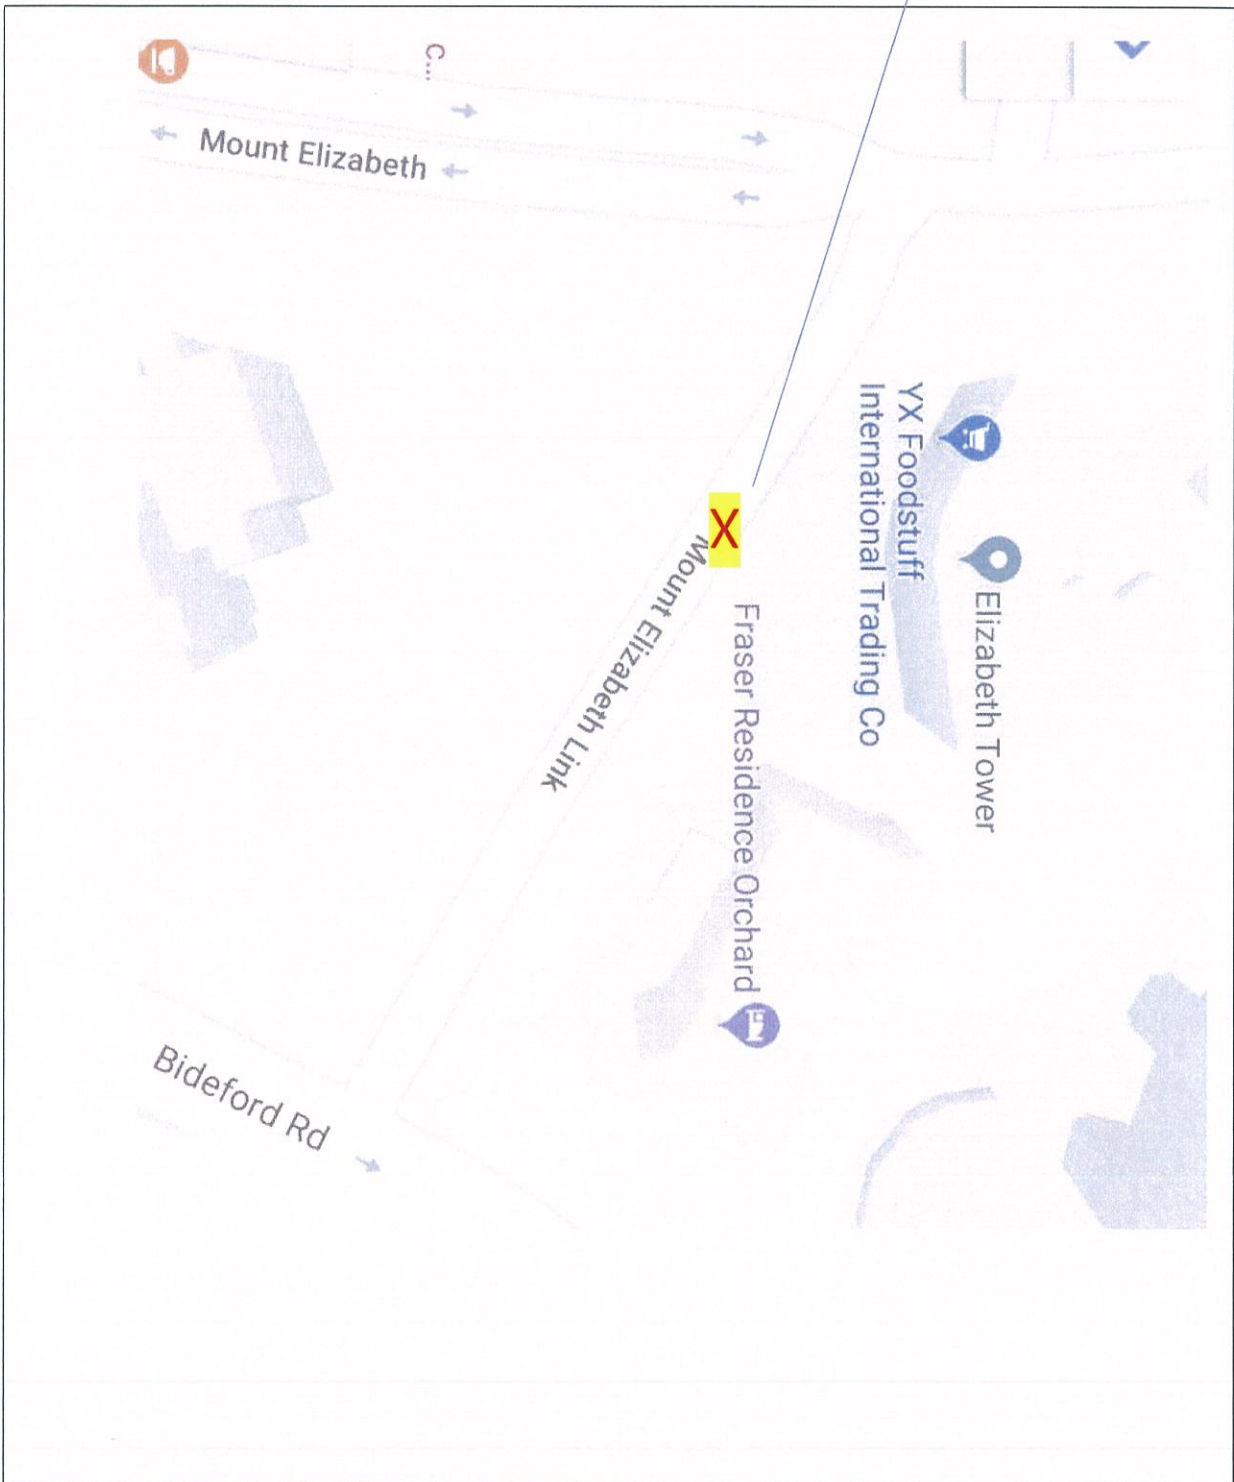

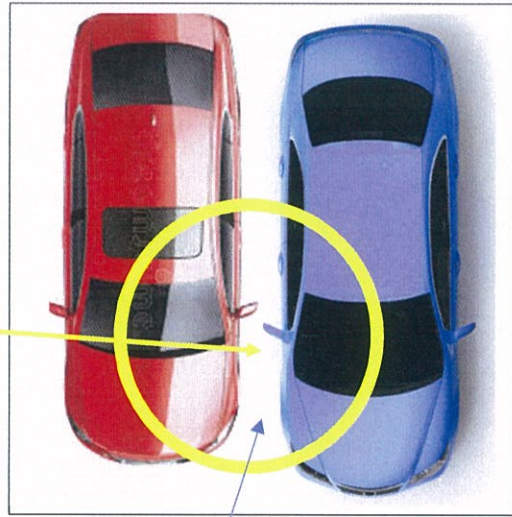

There is no injuries or damages as such, I have not reported this incident.
I would classified as a scam as it was only a brush against each other side mirror.
Please refer to the attached details which happen on 21 Jun around 13:25pm

Please feel free to contact me at 96663991 for further clarifications.

Annie.

My left side mirror
brushed on his right-
side mirror and my
mirror retracted

Date: 21 Jun 2018

Time: 13:25pm

Venue: Mount Elizabeth Link towards Bideford road

The incident happened on 21 June 2018 around 13.25pm along Mount Elizabeth Link towards Bideford road outside Fraser Residence. At the point, the traffic light was RED and I tried to keep towards the right side of the road but my left-side mirror accidentally brushed on the right-side mirror of taxi SHA2506U and my side mirror was retracted (pls refer to image as below).

I got out of my car to confirm if there are any scratches on the taxi side mirror, but the taxi driver demanded \$300 to repair his side mirror (to change the whole side mirror). As my mirror has retracted, there should not be any damages but his unreasonable man insisted that his mirror is cracked. I explained and clarified with him that there is **no** possibility that my mirror can knocked into his mirror to cause the crack. The line is blind spot assist line but he is very persistence that I need to compensate him \$300. Pls refer to below images of his mirror. There are no scratches on his right-side mirror.

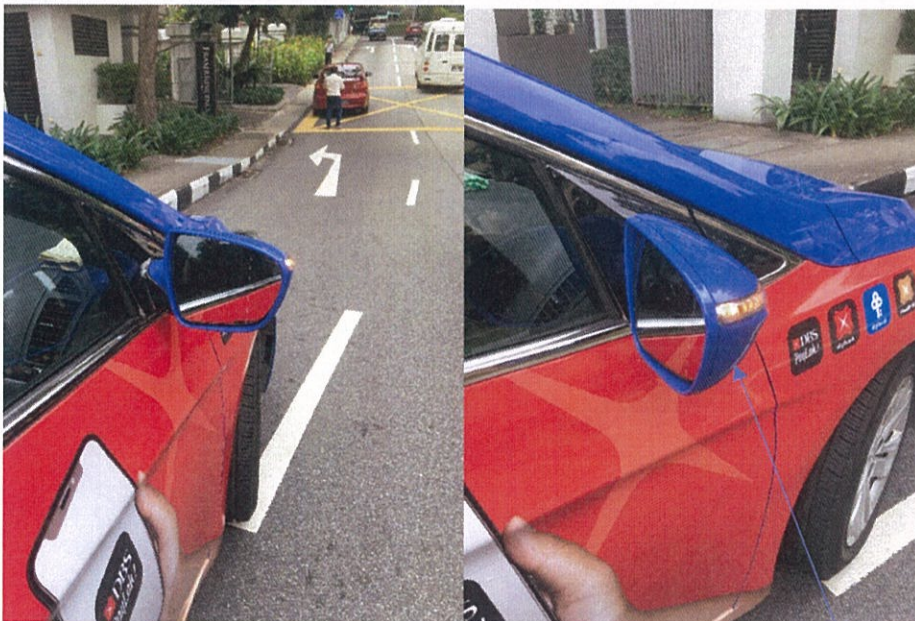

I had actually wanted to report "this scam" to Comfort Delgro but I hold back to let him make his living as being a cab driver is not easy. Please investigate this case seriously. I also have the video captured in my car camera. I did not file a report to "LonPac" about this accident as there is no damages or injuries to file claim for both the taxi and my car.

Please feel free to contact me at 96663991 for further assistance.

Regards,
Annie Yew

He claimed that this line (blind spot assist) is a crack caused by vehicle and demanded me to pay him \$300 but I refused.

I had confirmed that there are no scratches on his side mirror.
