Describe Circumstances of the Accident

On 6 Oct 2016 at around 10pm, I was driving along Serangoon Road near Owen Road area. The traffic was heavy and slow moving. I stopped my car as there were traffic stopping in front. As I was about to move forward, a car S6Q 1794M driven by Joel Tan Wei Shan suddenly cut into my lane and his left front wheel knocked into my right front bumper and wheel. I took some photos of the accident and ~~exchanged~~ his driving licence.

Sketch Plan

Describe Circumstances of the Accident

On 6/10/2016 (Thursday) @ 10PM, I was driving along Serangoon Road (towards, Kousang) fetching a GRAB passenger to 521, Serangoon Road. As the traffic on that day was heavy, most vehicle was pretty stagnant. My vehicle was about 1/4 towards the left of the lane, as I wanted to ~~keep~~ keep to the left. With my left fitter light on all the way, I was waiting for the vehicle in front of me to move forward so I can cut the lane with a safe distance. Out of the blue, there is a white porsche, SFK 15D knock into my left side of the car. No one was injured in the process. I tried to ask the driver for details (handphone, etc) but he refused to do so. Thus I did not reciprocate as well. The only thing he provided me was his driving license.

My witness Jersey (8621 2951) is willing to provide details of the incident in her perspective, and what happened on that day itself.

Declaration

We declare the foregoing particulars are true in every respect.
