**DESCRIBE CIRCUMSTANCES OF THE ACCIDENT**

|                                                                                                        |
|--------------------------------------------------------------------------------------------------------|
| On 25.06.2018 at about 15:10 hrs, I was travelling along Airport Terminal 2 Arrival with               |
| no passenger on board.                                                                                 |
| I was travelling along extreme right lane. Suddenly veh (B) (SLD 4490D) cut into my lane               |
| and hit my taxi (A) left front portion. My taxi (A) right front brush against the curb by the road due |
| to the impact of the collision. As it took place so fast, I could not take evasive action to prevent   |
| the collision.                                                                                         |
| I had company video fixed in my taxi and photos taken at scene to support my claims.                   |
| Veh (B) was driven by Mr. Azman Bin Aziz. NRIC : S 1652051I.                                           |
| Nobody was conveyed by the ambulance.                                                                  |
|                                                                                                        |
|                                                                                                        |
|                                                                                                        |
|                                                                                                        |
