**CONTINUATION OF REPORT**

**Brief Details.**

I was travelling along joo chiat place towards joo chiat road. When I reach the x junction of joo chiat place and tenbeling road, suddenly got 1 car coming out from tenbeling road and I hit onto his rear right side. I did jam brake but there isn't enough time to stop. after that he shift his car away and we got off and exchange particulars. I felt dizzy and at that time there police car so I asked them stop. They ask if I need medical attention, I told them if around 10 minutes later I still feel dizzy then I will go hospital. but ultimately I was still send to hospital. I was send to CGH and was given 17 days of MC. I wished to state that he's suppose to stop at the white line but he didn't and he was driving really fast.
