Brief Details.

I was travelling straight at a slow speed and a car from my left accelerated abruptly and swerved into my lane. I could not react in time and the side of his car smashed into my front left bumper.

Please do note that the date of my recording was wrong and I do not know why is it so. You can verify via whatever means you want to. Thank you.

Also, I have my car camera recording which exceeds the max limit of the file that I can attach. Please contact me to obtain the recording as it clearly shows that the other driver is at fault.
