Dear Gerald

I refer to the notice given by Ms Catherine Ng on the damages claimed by the 3rd party for the accident which happened on 30 June 2018.

I am attaching photographs taken at the accident site for your kind review. I even have the video but as file is too huge I am unable to attach. I can certainly whats app to you if needed.

As you can see, there are no major damages, honestly we almost can't even see any dent or scratch marks except the part which I had circled, only on closer. And my car is totally fine, no dents nor any scratch marks.

Very unfair that the 3rd party is claiming such a huge amount. Can I dispute this damage?

Kindly advise

Thank you very much
