Brief Details.
I am the driver of vehicle SH7728X.

On 08/07/2018 at about 0345hrs, I was making a left turn from Circuit Road onto PIE.

Vehicle SKH6417U was on the leftmost lane on PIE right after Circuit Road and reversed at a high speed, causing a collision between the rear of vehicle SKH6417U and the left side my vehicle.
I suspect the driver of SKH6417U might have overshot and wanted to reverse to be able to turn left onto Circuit Road.

As a result of the impact, the front left fender, front left passenger door and front left wheel rim of my vehicle was dented and scratched.

After the accident, both drivers stopped to check for damage and exchange particulars. No one was injured. The driver of SKH6417U made me sign a piece of paper. However, I was not sure of the contents of said paper and signed it hastily as I am not fluent in written English.

I have an in-vehicle camera installed.
