Without Prejudice

Dear Cecilia,

We refer to your below email and to the attached letter.

Please find below response to your queries.

1. *How do you derived the 14 days loss of Use?* – we noted that our surveyor recommended 14 days for the repair of the vehicle. Please refer to the attached email.
2. *Did you consider the downtime for PRI & repair limit offer? If not, why?* – yes, we did consider the downtime (including weekends) and PRI when we seek for mandate approval to our principal. Repair limit was considered when our surveyor had finalized to your service advisor.
3. *Did you consider the weekends involved during the repair period? If not, why?* – please refer to our response on your query no. 2.

We had already highlighted your appeal to our principal with regards to the days for the LOU, but our principal had strictly instructed us to maintain the offer of 14 days.

We are currently pending for further instructions with regards to the daily rate of the LOU.

Thank you.

Best Regards,

Dear Vic

Please advise how you derived 14 days? The repair was on hold pending for your offer on repair limit. From the date of accident to the date we received repair limit offer (19/07/2018, Thur @5.45pm), our client had already suffered 6 days loss of use. The repair could only be commenced on 20/07/2018 (Fri). Please note that this is a lumpsum repair where repairer will require more time to source for used parts. The used parts were ordered on next working day, ie 23/07/2018 (Mon). There's no delay in ordering parts. Also, have you considered the weekend involved during the repair period?

Your 14 days offer is ridiculously low, please review and revise for amicable settlement.

Thank you.

Dear Cecilia,

We refer further to your below email.

Please be informed that our principal had further reviewed the matter based on the recent documents provided and is in the view that the delay in ordering the parts should not be imposed on us. As such, we have mandate to maintain our offer as below:

Cost of Repair (w/gst)	\$ 6,420.00
Loss of Use (\$80 x 14 days)	\$ 1,120.00
GIA Search Fee	\$ 2.00
TOTAL	\$ 7,542.00

If agreeable, kindly let the owner sign the attached DV and forward a copy back to us for payment processing.

The above amount is to be made payable to **COMFORTDELGRO ENGINEERING PTE LTD.**

Thank you.

"Please note that our above offer and any settlement arising from the above offer are made on a without prejudice basis, and should not be construed as an admission of liability on our part or on the part of our Insured Driver. Terms of such settlement should also not be disclosed in any other related matter(s) in respect of the accident. Our offer made in respect of this present

Dear Vic

14 days is not acceptable. The accident happened on Friday evening and the estimate and PRI could only be prepared and arranged on next working day. PRI was conducted on 18/07/18 afternoon, and repair limit was offered on 19/07/2018 @7.45pm thus the repair could only be commenced on next working day, 20/07/2018. Prior to the repair, our client had already suffered 6 days loss of use. Please also consider the weekends involved during the repair period. Also, our client insists to settle the LOU at \$100/day. Please review and revise your offer as soon as possible.

Attached PO as requested.
