AVONDALE PICKERING STREET

The traffic was very heavy, almost bumper to bumper. I was driving very slowly and time to time have to stop.

The vehicle SGA 7979 was in front of me, driving very slowly to when moving very slowly, there was a message that came to my phone, I turn my head to look at the phone. The phone was on my passenger seat.

So I got distracted and touched the car. My bumper touched the bumper of SG 7979.

There is no damage at all. So I gave the driver my phone number. The next day, the owner of the car called me and said don't have to report anything as there is no damage. I agreed. But after we hung up the phone, she called again saying the passenger wants to claim injury. Because the passenger is not happy that I can get away so lightly. So I asked for the details and car number from the owner. But she didn't reply me.

So I thought the matter is settled.

At the accident, I didn't force down the particulars because there is no damage.
