TO BE ON THE SPOTS OF THE ACCIDENT

On 10/7/2018 at around 0900hrs, I was riding my motorcycle and was travelling along PIE towards Changi direction. When I entered KPE (Sims Ave exit), it was a two lane road and I was travelling on the left lane towards KPE. On my right slightly in front of me, was a lorry with wooden planks and discarded or their lorry, whose car registration number I did not take note of. When we were travelling along our lanes, suddenly about 2-3 pieces of discarded items from the lorry just flew out from the lorry and it hit me, causing me to fall over together with my motorcycle. When the incident happened, the lorry did not stop and drove away.

Subsequently I called for the ambulance and I was conveyed to Tan Tock Seng hospital. Certis cisco officer also came down. I was given 14 days of medical leave as I sustained some injuries on my right side, from my arms to my feet. My motorcycle was also badly damaged on the right side.

Brief Details:

On 10/07/2018 at around 0900hrs, I was riding my motorcycle and was travelling along PIE towards Changi direction. When I entered the KPE (Sims Ave exit), it was a two lane road and I was travelling on the left lane towards KPE. On my right slightly in front of me, was a lorry with wooden planks and discarded on their lorry, whose car registration number I did not take note of. When we were travelling along our lanes, suddenly about 2-3 pieces of discarded items from the lorry just flew out from the lorry and hit me, causing me to fall over together with my motorcycle. When the incident happened, the lorry did not stop and drove away.

Subsequently I called for the ambulance and I was conveyed to Tan Tock Seng hospital. Certis disco officer also came down, I was given 14 days of medical leave as I sustained some injuries on my right side, from my arms to my feet. My motorcycle was also badly damaged on the right side.
