Dear Sir/Madam,

ROAD TRAFFIC ACCIDENT INVOLVING VEHICLE NOS. SHD 3331J AND SHD 9839Y ON 16/07/2018

We refer to the above matter.

We have reviewed the circumstances of the incident and we are of the opinion that your driver is more liable as our video footage show Traffic Light is in our OI favor. This is evidenced of video footage from our Insured. Below is a copy of our insured's accident report statement for your perusal.

Brief Details.

On 16/07/2018 at about 2230 hours, I was driving my Comfort Taxi bearing vehicle registration number SHD3331J along Bukit Batok West Ave 3 towards Bukit Batok East Ave 5. I had a passenger sitting at the front left passenger seat and two other passengers sitting at the rear passenger seat. I had stopped my vehicle at the junction of Bukit Batok West Ave 3 and Bukit Batok West Ave 6 as the traffic light was red. After the traffic light had turned green in my favor, I proceeded to drive forward. Out of a sudden, there was a strong impact on the left side of my vehicle. The impact was caused by a red Transcab taxi which was unable to stop in time. Despite the impact, my vehicle was still moving forward and I only managed to stop my vehicle about 5 meters away. As my passengers complained of pain, I called for ambulance and police.

Subsequently after ambulance had arrived, the three passenger from my vehicle were conveyed. I am unsure which hospital they were conveyed to. I would like to add that the passenger from the Transcab taxi was conveyed as well. There is an in car camera in my vehicle and I had handed over the memory card to Traffic Police.

I would like to state that I feel pain at my chest area but I have yet to seek medical attention. I would also like to state that I did not manage to take down the vehicle registration number of the Transcab taxi. I also did not manage to take down the particulars of the driver and the passengers involved.

I was then instructed to lodge a report under TP IO Shahrul Nizam (tel: 65476904)

In view of this, we regret to inform you that we are unable to look into your claim.

Should you have further evidence to prove otherwise, please send us a copy for our review.

Thank you.
