Dear Khanchna,

Having reviewed the video, we are of the view that claimant should have keep a lookout for oncoming vehicle from Circular Road as accident happened at a junction and there's road construction with road barricade being the blind spot.

Please try your utmost best to settle the matter at **50% liability** as claimant should not be absolved from liability 100% unless she is able to prove the was a stop line as per her report. We can't see it from the VF and the attached still shot.

Kind Regards,
Saliha
