Dear Ms. Saliha,

The above matter and e-mail as trailed refers.

Please be informed that there is a "Give Way" signage (as per attachment) on our Insured's path and as such, our Insured should have given way to the oncoming TP vehicle whom had right of way.

Hence, we opine that liability is down against our Insured.

Appreciate your views/instruction on liability please.

Thank you.

Dear Khanchna,

Having reviewed the video, we are of the view that claimant should have keep a lookout for oncoming vehicle from Circular Road as accident happened at a junction and there's road construction with road barricade being the blind spot.

Please try your utmost best to settle the matter at **50% liability** as claimant should not be absolved from liability 100% unless she is able to prove the was a stop line as per her report. We can't see it from the VF and the attached still shot.
