What to do if you have an accident

Call us - In the event of an accident stay calm and make sure everyone is safe. Do not discuss liability. Please call us immediately at 6532 1818 and tell us your exact location.

Get information - Exchange details of other drivers, anyone injured, witnesses and passengers.

Details to exchange are: NRIC/other identification numbers, address, phone numbers, car registration numbers, and name and number of insurance company.

Take photos of the scene, including vehicles and damaged property before they are moved and video it if possible.

Report to the police - You will need to report the accident to the police if someone is injured, if a hit-and-run situation occurs, or if a government vehicle/property, foreign vehicle, or pedestrian/cyclist is involved.

Towing services - We will arrange for someone from one of our approved service providers to tow your vehicle away quickly. They will verify they are with DirectAsia. Do not use any unauthorised tow-truck operators or touts as this will delay your repairs.
