SKETCH PLAN

ECP towards City.

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was travelling on ECP towards the city. My daughter was the passenger in my car. The traffic was very slow moving. The lorry with vehicle registration number XE2114G decided to switch lane. In doing so the front left of the lorry collided into the right hand rear door of my car. I stopped my car but the lorry continued to push my car from the right hand rear causing my car to swerve to the right. By the time the lorry stopped, my car was perpendicular to the lorry.
