Place of incident: PIE along Toa Payoh

Vehicle number: SKL 933P

Details: I was driving along the PIE around TPY during heavy traffic. I was driving behind a red Mazda. An unknown car jammed break and I also applied my jam break. A white Bentley driving behind hit me and caused my car to push forward into the red Mazda. I took pictures of the collision between the red Mazda and me as well as the Bentley and the back of my car. I also exchanged contact information between both drivers involved and received a copy of their driving license. No persons were injured in the accident, no damage to government property was sustained and no foreign vehicles were involved.

My car boot door is misaligned. There are scratches and dents on the bumper.

In the front, the hood is scratched and the front license plate has been split open.

Apart from surface damage, it is yet unknown if there are internal damages. The car is still operable.
