Dear Ms Tang,

Regarding the accident involving CB7302L and the driver not reporting the accident.

Please find attached the police report copy made on 14 August 2018.

You may send the report to the bus company 'SFX Transport'.

Please make sure to inform them that, as it is their vehicle that their driver, Mr Leow Kok Beng (NRIC No. S1548701A) was driving on the day of the accident on 20 July, approximately 7am, SFX Transport is fully liable to ensure that their authorised driver reports any form of traffic accident to their insurance company.

Failure of their authorised driver at the time of the accident to make an accident report to their insurer (AXA), will result in SFX Transport (Registration No. 52963394M) having to bear all repair and related costs to my vehicle and loss of use.

In the event that there is no satisfactory response from SFX Transport towards this matter to make compensation, or assist in making a claim against SFX Transport's insurer, I will not hesitate to take legal action against SFX Transport to reimburse all repair and related costs, as well as any legal fees that arise.

Best regards,
Mr. Theodore Lee
(Owner of SLK6855K)
