Circumstances of Accident

On the stated date and time, after turning out from Yishun Central and intended to filter to left lane to enter to the bus stop of Yishun Ave2(in front of North point shopping centre). I turned on my left signal light and flicker high beam light to alert the vehicle SGY806C which was illegal parking at the side. While filtering, I heard a sound from the rear side; from my left view mirror I saw the above mentioned vehicle had side-swiped my bus. Both drivers exchanged particulars and I proceeded with my service.
