Dear Jia Le,

Please proceed with rejection as claimant didn't take any evasive action and slow down despite insured had signal his intention to make the left turn.

Claimant vehicle coming from behind should have better judgement of the situation.

Thank you.

Kind Regards,
Saliha

Dear Saliha,

We refer to the above matter.

Third party reported that our insured was turning left from the right lane and collided onto his vehicle.

Our insured reported that third party tried to overtake while he was turning left.

Based on third party video, it shows that an unknown vehicle attempting to exit from "TRAVELITE" with its front portion inching out, our insured vehicle was slowing down approaching the entrance with the left turn signal and third party tried to overtake our insured vehicle from behind on left lane and caused the collision. Thus, we would like to reject the TP claim.

Kindly let us have your approval/instructions.

Thank you.

Best Regards,
