This message is from an external sender; be cautious with links and attachments.

Dear Saliha,

We refer to the above matter.

Third party reported that our insured was turning left from the right lane and collided onto his vehicle.

Our insured reported that third party tried to overtake while he was turning left.

Based on third party video, it shows that an unknown vehicle attempting to exit from "TRAVELITE" with its front portion inching out, our insured vehicle was slowing down approaching the entrance with the left turn signal and third party tried to overtake our insured vehicle from behind on left lane and caused the collision. Thus, we would like to reject the TP claim.

Kindly let us have your approval/instructions.

Thank you.
