POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. E/20180721/2032

I did not notice any vehicle parked beside me. I last saw my car intact when I parked it in the morning before heading to my office and there was also no other vehicles at that time as well. I strongly believe that the damages were caused by another vehicle, while parking beside my car when I was in the office. The in-car camera in my car is faulty as the last recorded footage dated in June. I have not been in any dispute with anyone. I think there is CCTV around the vicinity of the my car park compound. I am lodging this report to seek Police assistance.
