Dear Sir

Re-sending due to some typing error.

Since there is some doubt with the assessment standard of our surveyor who had produced the report, may we suggest to assign a senior surveyor within our organization to re-assess the cost of repair with all relevant documents, maintaining the spirit of an SJE. This will be at no additional cost.

Dear Sir

Refer to your email below.

As mentioned in our email dated 03 April 2018 at 0805hrs, the cost of repair was re-adjusted after our surveyor had reviewed the matter.

Since there is some dissatisfaction on our report. May we suggest to appoint a senior surveyor within our organization to review all reports and re-assess the cost of repair. This will be at no additional cost. Our senior surveyor will only be provided with the relevant reports for his assessment.

1. I have checked my email dated 02.09.2017.
2. I did not attach the Plaintiff's Letter of Demand in my email. I sent the two drivers' SAS reports, the surveyor's reports of both sides and the photographs. The attachments of my email are still available in the email dated 02.09.2017 and I did not see the LOD.
3. I am not saying that you should not receive the LOD. However, the information stated in your email dated 6 April 2018 is therefore incorrect as they were not from me.
4. Can you please check your records again.

1. Grateful to you for your explanation. In respect of this statement which I shall highlight in red:

“Our surveyor further reviewed and readjusted the cost of repair (paper survey) at first it was based on the LOD submitted by the TP”

2. Your explanation seems to suggest that only the copy of LOD was forwarded to the surveyor. When I first emailed to LKK, I forwarded to LKK both sets of SAS lodged by both respective drivers as well as the Plaintiff's and Defendant's respective survey reports.
3. Can you let me know the following : -
  - a. Who forwarded to you the LOD submitted by the TP?
  - b. When was this forwarded to you .
4. I shall be most grateful to have your reply soon.

Dear Sir,

Our surveyor further reviewed and readjusted the cost of repair (paper survey) at first it was based on the LOD submitted by the TP, later reappraised based on the opinion by the Form Team who had seen the damaged conditions of the said vehicle, the damages before and after the repair. We revise the paper survey report accordingly. Thus resubmit the amend report. Our report was strictly independent , and not influenced by any parties.

Dear Bonnie

1. Thank you for mentioning for me on Friday for the PADC.
2. Attached is a copy of the amended SJE report of LKK.
- 3 I have actually emailed my client for further instructions and will write to you and I do note that the court will be fixing a hearing date if we can't resolve the suit.
4. My suggestion is that we try our best to negotiate during this period and if we still cannot firm up the figures, we can file a request to reschedule the AD CDR via elitigation first.
