WITHOUT PREJUDICE

Dear Vic

We refer to your email of 20/08/2019 and thank you for your offer.

However, we are unable to accept your 50% offer as your client was the main cause of this side swipe collision.

Video footage attached for your viewing and it shows that your client's vehicle formed up at the right turn lane and my bus was stationary on his left along the on-going straight lane to comply with the red signal light.

When the signal light changed to green both vehicles proceeded straight into the junction. In the midst of crossing the junction, your client suddenly swerved left towards my bus direction.

As a result, the left front portion of your client's vehicle grazed against the right rear portion of my bus.

Your client proceeded straight along the right turn lane had resulted in his vehicle to graze against our bus in the process.

As your client is the main cause of this accident, kindly settle our claim in full soonest possible. Thanks.
