Dear Sirs/Madam,

### **ACCIDENT INVOLVING PA 204J(AXA) & SJG 8288D ON 24/07/2018**

We refer to the above matter.

Our insured had submitted a copy of his bus video footage and based on his video footage, we noted that our insured bus has not even passed the 1st lane of Bras Basah Road when suddenly your client vehicle from the right side made a sudden sharp turn and hence collided onto our insured's bus. As such, we are of the view that our insured is not liable for the accident.

Attached is a copy of or insured accident report & video for your easy reference.

In view of the above, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

*Note: This video footage is solely for investigation and shall not be reproduced. You undertake to preserve its confidentiality and will not disclose, provide or make available the video footage in whole or in part, to any third party.*

Best Regards,
