DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was stopped behind the car at a traffic light that was still red. For some reason, the car wanted to change lanes from the left to the right. Because there was another vehicle in front of him, there wasn't any space to manoeuvre, so he had to back up. At this time, I saw him turning his head left and then right (presumably to check his side mirrors) but he did not check his rearview mirrors. I figured that he was going to reverse, but before I could horn in time to warn him, he had already begun reversing at full speed and ended up crashing into the front end of my bike.

DECLARATION

I/We declare the foregoing particulars are true in every respect.
