### Brief Details.

On 02/08/2018 @ about 2000hrs, I was travelling along River Valley Road towards Clarke Quay on the second lane from the left. I have signal left with the intention to turn left towards Hoot Kiam Road and the junction.

Subsequently, I proceed to turn left. Out of the sudden, I noticed one impact from the rear and I proceed to stop at the most right side of the lane. I noticed that there were no vehicle stopped together with me to exchange particulars. I alighted and noticed the dent on the left rear of my vehicle. I viewed my in car camera and noticed that one blue coloured vehicle that was travelling along the most left lane has travel straight to Clarke Quay instead of turning left towards Hoot Kiam Road. I waited at the location for about 30 minutes, thinking that the vehicle might come back however to no avail.

I wish to state that I am not injured and no government property damaged. No police or ambulance attended to me. I wish to state that I am unable to view or remember the vehicle plate number of the vehicle, however the plate number from the in car camera footage suggested that it might be a Malaysian vehicle. I wish to state that the most left lane is for turning left towards Hoot Kiam Road only.
