### Brief Details.

On 29/07/2018 at about 1130hrs, I was riding my motorbike with my wife as pillion from Thomson entering PIE(Taus), however at the slip road entering PIE(Taus) before Steven road exit, I notice there are quite a few of cars in front of me slowing down due to the heavy traffic in front. A silver car, SKU3305K, in front of me have already entered the chevron lane on our right as such I slowly move in front thinking the said car wanted to exit the slip road by cutting through the chevron lane but while was still moving forward slowly, the said car suddenly swerved back into the slip road resulting the rear left side of the said car collided onto my right handle bar causing me to lose balance and fell onto the road.
