CONTINUATION OF REPORT

On 7/8/2018, I was travelling from 14 Carpenter Street to Embassy of Italy. At about 1215hrs, I was driving along Eu Tong Sen Street on the way to alight a Grab customer. The traffic was very heavy at that point of time because it was during lunch period. I was stationary because about 100m ahead the traffic light was red. Suddenly, I heard a bang sound and I felt an impact when my head hit against the head rest. I then checked with my passenger if he was injured, he informed that he was fine. I then got off my vehicle and spoke to the driver of V2 and he then explained to me saying sorry as V3 hit onto his car and his car surged forward. We then exchanged particulars. My car was then being towed away at 1300hrs because I fear that my car's rear bumper would drop off if I continued driving.

My passenger is willing to be a witness, however he is not local. His name is Angelo, C/N: 9773 9465. No TP or ambulance were at scene, no government property were damaged.
