RE: Report of Road Accident between private cars bearing License Plates number SKG6783S and EC4567E along Yio Chu Kang Road toward CTE near Dedap Road access on 4th Aug 2018

On the advice of my insurance company, I am making the following report.

The accident occurred approximately at 10.25am on 4th Aug 2018 along Yio Chu Kang Road towards the direction of CTE exactly at Dedap Road access to Yio Chu Kang Road. I was driving my car, SKG6783S, along Yio Chu Kang Road towards the CTE direction in lane 2 at about 60Kph. **My wife was in the car with me.**

The other car was driven by Shaun Woon-Kwong Seow NRIC number S1479230I bearing License plate EC4567E was attempting to cross over to the slip road to Yio Chu Kang towards the direction of Sengang West Road. There was a car making a left turn from Yio Chu Kang Road into Dedap Road and I believed this blocked the view of Shaun Woon-Kwong Seow. Yet he made the crossing forcing me to make an emergency braking action in lane 2 that eventually collided with his car. **The driver of EC4567E was alone in the car.** Please see attached photos.

SKG6783S was damaged at the front bumper and bonnet, damaged to headlamp clusters and bonnet and fenders appear collapse. EC4567E was damaged at the right-side driver's door area.

It was fortunate that I was fully attentive and applied my brake without delay and thus avoided a more nasty collision but nevertheless driver of EC4567E made the grave mistake of making a dash across the road before he could see the road on his right was clear to drive across safely.

So far my wife and I appears ok and has no injury but we reserve the right to consult with a doctor should symptoms appear after 24 hours from time of accident.

Report prepared by Mr Chew Mun Yew

Date: 7th Aug 2018

To: Traffic Police, Singapore Police – Revision to 1st report dated 4th Aug Report with additional facts(after revisiting the site)

RE: Report of Road Accident between private cars bearing License Plates number SKG6783S and EC4567E along Yio Chu Kang Road toward CTE near Dedap Road access on 4th Aug 2018

On the advice of my insurance company, I am making the following report.

The accident occurred approximately at 10.25am on Sat 4th Aug 2018 along Yio Chu Kang Road towards the direction of CTE exactly at Dedap Road access to Yio Chu Kang Road. I was driving my car, SKG6783S, along Yio Chu Kang Road towards the CTE direction in lane 2 at about 60Kph. **The accident occurred at a signalised traffic junction. The traffic lights was green in my favour. My wife was in the car with me.**

The other car was driven by Shaun Woon-Kwong Seow NRIC number S1479230I bearing License plate EC4567E and he was attempting to cross over to the slip road to Yio Chu Kang towards the direction of Sengang West Road. There was a car making a left turn from Yio Chu Kang Road into Dedap Road and I believed this blocked the view of Shaun Woon-Kwong Seow. Instead of waiting for the traffic light to be red so he can safely cross to the other direction of Yio Chu Kang Road, he made the crossing forcing me to make an emergency braking action in lane 2 that eventually collided with his car. **The driver of EC4567E was alone in the car.** Please see attached photos.

The driver of EC4567E was also wrong to immediately moved his car after collision by backing it to Dedap Road again before ascertaining that there were no injury. I told him he was at fault and he answered that he is honest and not like other drivers implying that he admit he is at fault. We took photos of our respective ICs.

SKG6783S was damaged at the front bumper and bonnet, damaged to headlamp clusters and bonnet and fenders appear collapsed. EC4567E was damaged at the right-side driver's door area.

It was fortunate that I was fully attentive and applied my brake without delay and thus avoided a more nasty collision but nevertheless driver of EC4567E made the reckless mistake of making a dash across the road before he could see the road on his right was clear to drive across safely. The traffic light was green and traffic travelling along Yio Chu Kang Road(towards the CTE) clearly has the right of way.

So far my wife and I appears ok and has no injury but we reserve the right to consult with a doctor should symptoms appear after 24 hours from time of accident.
