Without Prejudice

Dear Chris,

We refer to the below email.

Please be informed that our principal is in the view that the claim should be redirected to the taxi that caused the accident as our Insured vehicle was also parked at the time of accident.

As such, our principal had instructed us not commit any liability yet and also not to survey your vehicle and to redirect your claim to the taxi's SHD 268D insurer instead.

Thank you.

Best Regards,

Vic Alpeh | Case Handler

Dear Motor Claims,

Our client is looking to make a claim against your insurer for property damage caused to her vehicle.

Please confirm if your insurance company is prepared to engage in a direct settlement for property damage only.

This settlement excludes out client's right to recover further loss arising from rental of alternative / replacement vehicle.

As our client requires the use of a vehicle during this period that her vehicle is in our workshop, our client has will rented a vehicle and will be looking towards your company to make good her loss/rental cost.

Please confirm that you understand that any direct settlement reached for the cost of repairs to our client's vehicle does not prejudice her rights to recover any other damages he has suffered.
