Hi,

Good day! We have noted that this vehicle has met an accident on 12/08/18. The vehicle was towed to our respective workshop on the day of the accident.

We noted that the vehicle has sustained a heavy damage on the front portion.

The vehicle was not economical for repair, can you arrange surveyor come down for survey without estimate? Thanks!

Regards,

Christy

Brief Details.

On 12/08/2018 at about 3.10pm, I was driving my silver Honda (Fit) car bearing registration number SJR3122Z along Bedok North Road in front of Blk 109 and I had no passenger onboard. As I was approaching the pedestrian crossing in front of Blk 109 Bedok North Rd, I did not realized that the vehicle in front of mine, one black Mazda car bearing registration number, SLC8571H, was not moving but by the time I realized this, my car was too close to the other car and I could not avoid colliding with the other car. Thus my car hit the rear of the said vehicle.

After the collision, I alighted from my car to make a check on the other car and I found out that the passenger of the other car was injured. Thus I called for ambulance. The passenger is a female Chinese and she was conveyed by ambulance to the hospital before Traffic Police arrived at the accident scene.

I exchanged particulars with the other driver and also took photographs of the damages from the accident. I am not injured at the moment.

Due to the accident, my car had to be towed away.
