CONTINUATION OF REPORT

Brief Details:

On 14/07/2017 at about 0927hrs I was driving along PIE towards Changi Airport and as the traffic was slow and heavy at that point in time I saw that the vehicle in front of me has come to a stop. As such I then stopped my vehicle. After stopping my vehicle, I immediately felt a impact from my rear. Due to the impact, my vehicle then moved forward and collided onto the vehicle in front of me. After the accident I then called N11111 and they asked if I was injured. I told them that I felt pain at my chest area and they assisted me to call for ambulance. I was then subsequently conveyed by ambulance to Tan Tock Seng Hospital for x-ray and ECG. I was informed by the doctor that I did not sustain much injuries and was given three days of Medical Leave and was prescribed with some painkillers. I wish to inform that I do not have any in car camera. The accident took place before Thomson exit.
