Brief Details.

On 11/08/2018 at about 1545hr, I was on my way to Golden Mile Complex on my motorcycle bearing the registration number FY315P. I was riding on the second lane along Scotts Road towards Newton Road, outside Sheraton Hotel. There was a taxi that was in front of me who suddenly jammed break. I could not stop in time and jammed break as well. I am not sure if I had hit onto the taxi as there were no dents or damages on the taxi however I fell. After a while, the taxi driver and a passerby came over to help me up as I could not move the motorcycle. I then called for Police assistance as it was my first time encountering an accident.

We then exchanged name and contact number. I managed to take a look at both my motorcycle and the taxi. I did not see any damages on the taxi while the only damages I saw on my motorcycle were my left foot rest came off, dented clutch and tilted mirrors. I did not make an extensive check on my motorcycle as I was in pain and clueless.

Ambulance came and made a check on me. I suffered abrasions on my left knee and ankle and felt pain on the left side of my body. The paramedics asked if I wanted to be conveyed and I agreed. Subsequently TP officer came and interviewed me. Afterwards, I was conveyed to Tan Tock Seng Hospital.

I was admitted to Tan Tock Seng Hospital for one day. I am given medical leave of 5 days which will end on 15/08/2018.
