Brief Details.

On 06/08/2018 at about 1845hrs, my wife had went to pickup my daughter and had pass by my house the carpark. She then happened to make a check on my motorcycle registration plate number, FBF2328L and noticed that there is another motorcycle registration plate number, FBJ3930U that was parked beside me had fell and hit onto my vehicle exhaust pipe area. I was then inform by my wife to make a check. The damages currently to my motorcycle is exhaust pipe dented, gear lever loosen and that was what I can noticed, the rest I have to send to the workshop to get it check. I wish to inform that I do not know the other rider and we do not have any disputes before. This is the first time such incident had happened. I am lodging this police report for insurance claims purposes as the other party is also agreeable for the insurance claims. I wish to also inform that while the other rider had tried to pick up his motorvehicle, my motorvehicle had fell onto the ground again.
