Brief Details.

I was traveling along Clementi Road in the direction of Bukit Timah, I slowed to a stop for a red traffic light at the junction with Commonwealth Ave West. The car behind did not stop in time and collided into the rear of my car and propelled my car into the middle of the junction. The other driver came to my car window and asked if I was alright. Following that, as my car was blocking traffic in the middle of the junction, I moved it forward till after the junction and stopped at the side of the road. 3 police officers from the nearby police post came to investigate. After taking particulars from both drivers and ascertaining that there was no injury, they advised me to make a police report.
