Hi,

Below are the attachments of the accidents.

I have send images of my damaged motorcycle, days of loss of income from work (MC), videos, police report and the outcome of the offence.

I would like to amend that the police report stated "I collided to the Malaysian motorcycle," come to think of it I actually self skid and did not hit the Malaysian motorcycle if I do hit I would be in terrible injuries and so does he. I only sustain bruises and small cuts. During making the report I was in trauma, could not think straight and just report whatever I can. After awhile I realise i did not collide to the Malaysian motorcycle. The Malaysian damaged motorcycle probably also by his own action self skid but mine is worst than just skidded, a car could not stop on time and hit my front part of the motorcycle. Below are the evidence.

Do acknowledge on receiving the email and attachments.

Thank you  
Yours sincerely
