Hi Taufik

Thanks for your reply.

Based on your inspection on 27 August 2018, the total repair costs are \$5,849.70 (subjected to approval). Please be informed that the cost that you approved is far beyond our cost. Kindly make some slight adjustment.

This is also to inform that there were 2 additional items need to replace during our repair work :

- 1) spare tire holder - \$320
- 2) Bear exhaust mount - \$50

We apologise that we did not update you during the early stage. Please consider to add in the above mentioned.

Kindly let us have your reply soonest.

Thanks
